

Two RVN positions at Veterinary Specialists Ireland, Summerhill, Co. Meath

Push your boundaries with a unique career opportunity to be part of our expanding team at Veterinary Specialists Ireland.

Two full-time clinical RVN positions available at our purpose-built small animal specialty hospital, just 25 minutes from the M50. State-of-the-art equipment includes digital radiography, ultrasonography, 64-slice CT, MRI, underwater treadmill, and endoscopic equipment.

We welcome applications from enthusiastic, experienced veterinary nurses seeking new challenges. Experience in anaesthesia, surgery, internal medicine, rehabilitation therapy, or a postgraduate qualification is considered an advantage. Successful candidates will have strong communication skills and enjoy working as part of a team in a busy hospital environment.

We actively encourage the development of advanced nursing skills in patient care, diagnostics, anaesthesia and surgery. We offer a competitive salary, funded CPD, payment of your VCI registration and VDS.

To apply, please send a CV and cover letter to turlough@vetspecialists.ie or visit www.vetspecialists.ie for further information.
